Two women in desperate circumstances find love where they least expect it in these two classic stories from a USA Today – bestselling author. The Italian’s Wife Holly Sansom has hit rock bottom. She has no way to care for herself or her eight-month-old son. Then a chance encounter with handsome CEO Rio Lombardi changes everything. Suddenly she’s living in luxury, and if she accepts Rio’s proposal, all her worries will be forever behind her. But is it really the perfect life if she doesn’t have his love? The Spanish Groom Dixie Robinson hasn’t been good at much. The one thing she’s done right is to befriend an elderly man. She’ll do anything for Jasper—except marry his godson. After all, Cesar Valverde doesn’t even like her. But as Jasper is rushed to the operating room, Dixie is rushed to the altar. Is this yet another mistake, or the smartest thing Dixie has ever done?
