A 2023 Romantasy Goodreads Choice Award Nominee! The breakout TikTok fantasy romance, now with special bonus material! Captured by the king of darkness, she was forced to find the light within. Arwen Valondale never expected to be the brave one, offering her life to save her brother's. Now she's been taken prisoner by the most dangerous kingdom on the continent, and made to use her rare magical abilities to heal the soldiers of the vicious Onyx King. Arwen knows better than to face the ancient, wicked woods that surround the castle on her own, which means working with a fellow prisoner might be her only path to freedom. Unfortunately, he's as infuriating as he is cunning—and seems to take twisted pleasure in playing on Arwen's deepest fears. But here in Onyx Kingdom, trust is a luxury she can't afford. To make it out of enemy territory, she'll have to navigate back-stabbing royals, dark magic, and deadly beasts. But untold power lies inside Arwen, dormant and waiting for a spark. If she can harness it, she just might be able to escape with her life—and hopefully, her heart.
