Eve Duncan attempts to unearth one of history's most intriguing lost secrets in this adventure ripped from the pages of Greek mythology, by #1 New York Times bestselling author Iris Johansen. Archaeologist Riley Smith has been obsessed with Helen of Troy since she was a small girl, trailing her professor father all over the world in search of the tomb of the world's most beautiful woman. Professor Smith put his life on the line to prove that, instead of a myth, Helen had been a living, breathing queen. Riley seeks the help of forensic sculptor Eve Duncan, who has the unusual skills necessary to recreate the face that launched a thousand ships—revealing Helen's true appearance for the first time in history. But convincing Eve to take on the challenge will be difficult because her efforts could come at great personal risk to her and her family... Tomb raiders have murdered Riley's father, and now she is more determined than ever to reach the burial site first, avenge his death, and enlist Eve's aid. Also on hand to help is dashing fixer and treasure hunter Michael Cade, but could he have his own secret agenda when it comes to finding Helen? Now both Riley and Eve are in danger and in a race across one of the most remote parts of the world. All they have is their trust in each other and their belief in a dream as they hunt for Helen.
