ISBN-13: 9781250331809

Chet the dog, "the most lovable narrator in all of crime fiction" (Boston Globe) and his human partner PI Bernie Little are on to a new case, and this time they're entangled in a web of crime unlike anything they've ever seen before. Their elderly next door neighbor, Mr. Parsons, thought he was doing the right thing by loaning his ne'er do well son, Billy, some money to help get himself settled. But soon, Mr. Parsons discovers that his entire life savings is gone. A run-of-the-mill scam? Bernie isn't so sure that the case is that simple, but it's Chet who senses what they're really up against. Only Billy knows the truth, but he's disappeared. Can Chet and Bernie track him down before it's too late? Someone else is also in the hunt, an enemy with a mysterious, cutting-edge power who will test Chet and Bernie to their limit—or maybe beyond. Even poker, not the kind of game they're good at, plays a role. Spencer Quinn's A Farewell to Arfs ups the ante in the action-packed and witty New York Times and USA Today bestselling series that Stephen King calls "without a doubt the most original mystery series currently available."
