Destiny or desire? Where does your allegiance lie? I am told my union to the crowned prince will determine the fate of the kingdom, but it isn't my betrothed who haunts my dreams. It's the half-breed prince who stands at his side. He is darkness and sin, and when he whispers promises of wickedness in my ear, I crave a man who I can't have. Every thought I have is treasonous. The way my hands ache to touch him deceitful. Even my dreams make me a traitor to the kingdom I am sworn to protect. But when the kingdom is attacked, I am forced to make choices I'm not prepared for. Our lies and deception are entangled in the shadows and stars, and as they unravel so shall my fate. Betray a kingdom or betray my heart.
