Your husband took his own life. Tell the truth and destroy what's left of your family. Or keep a secret that will tear you apart. What would you do? Olivia and David were the perfect couple with their whole lives in front of them. When beautiful baby daughter Zoe came along, their world seemed complete. But now David is dead and Olivia's world is in pieces. While she is consumed with grief, her mother-in-law Ivy is also mourning the loss of her son. Both women are hiding secrets about the man they loved. Secrets that have put the family in danger. Something was very wrong in Olivia and David's marriage. Can Olivia and Ivy break their silence and speak the truth? A mother should protect her child, whatever the cost...shouldn't she? From the bestselling author of *The Secret Daughter* and *Me Without You* comes another emotionally gripping and gut-wrenching read about love, loss and the strength of a mother's love. 'This was a refreshingly different read which I would put in the same vein as Diane Chamberlain but this was even better than some of Diane's latest releases. This is no girl meets boy and falls in love read but rather a heartbreaking, beautifully written story based on true facts ... a thought provoking, emotional story not to be missed.' Shaz's Book Blog 'I adored this novel. Absolutely, 100% adored it. Kelly Rimmer is a beautiful writer ... *The Secret Daughter* packed such an emotional, powerful punch, one that I don't think I've felt before that I'll always associate with her novels from now on.' Becca's Books 'Kelly Rimmer did an amazing job of telling such a heartbreaking tale. This story had me laughing, crying and hugging my daughter a wee tighter. I loved this story!'
