1. 1 NEW YORK TIMES BESTSELLER "A wake-up call for the entire planet . . . [A New Earth] helps us to stop creating our own suffering and obsessing over the past and what the future might be, and to put ourselves in the now." —Oprah Winfrey With his bestselling spiritual guide The Power of Now , Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth , Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.
