Someone wants him dead. She just wants a vacation. From the author of the popular Coach's Boys series comes Book 1 in The Casteloria Royals Trilogy Cameron Rafferty is keeping secrets. Dangerous secrets that could endanger the lives of everyone around him. His plan was simple...keep a low profile until the would-be-killer was found. And things were going smoothly, until a small complication changed everything. Soon, he finds himself becoming more involved with the family next door—and wishing for things he shouldn't. Things that will put their lives in jeopardy, too. Spending summers at the chalet was a tradition for author Laura Keane and her young son. Filled with memories of the husband she lost to war, she looked forward to days spent reminiscing, playing, and plotting another novel. Will that armor be tarnished when she discovers who he is and why he's hiding out in northern Michigan?
