2018 RITA award-winning author! From the author who Sarah MacLean calls "a charming, clever, and engaging storyteller" comes the next regency romance in the witty and sexy Devils of Dover series! Baron. Physician. Smuggler . Harland Hayward is living a double life as an aristocrat by day and a criminal by night. As a doctor, Harland has the perfect cover to appear in odd places at all hours, a cover he uses to his advantage. He's chosen this life to save his family from financial ruin, but he draws the line at taking advantage of the honest and trustworthy Katherine Wright. Katherine thought she was done smuggling. Having finally convinced her ailing father and injured brother to abandon their criminal pursuits, she's returned to England to help them escape to a new life once she helps them fulfill their last contract. And that means working with Hayward, even when her instincts tell her that becoming his ally may be a risk to her heart - as well as her life.
