When a deaf school is targeted by a killer, an FBI agent must trust her skills, her faith—and her ex—to solve the case in this inspiring romantic thriller. A double tragedy has gripped the South Carolina community at Palmetto Deaf School. With one student murdered and another missing, it's up to homicide detective Catelyn Clark to find the killer—and probable kidnapper—before it's too late. She's willing to go to any length to get the job done . . . even work with her ex-boyfriend, FBI agent Joseph Santino. Even as they share a case, Catelyn plans on keeping her distance. She knows from her parents that relationships between cops never work. They also taught her that the only person she can rely on is herself. But when the killer starts targeting Catelyn, it's only by opening her heart to faith—and love—that she can finally bring the silent fury to an end.
