This sizzling and edgy romance series will melt your e-reader. Brought to you by Wall Street Journal and USA Today Best Selling Author, Willow Winters. I saw her from across the bar. My bar. My city. Everything in that world belonged to me. She stood out from the crowd like she was looking for someone to blame for her pain. That night, I felt the depths of my mistakes. I felt my scars. With a single glance, I knew her touch would take it all away. I craved it more than anything. I knew she would be a tempting, beautiful mistake. One I would make again and again... even if it cost me everything.
