"He's gone..." When his daughter Samantha calls in the dead of night, John Rebus knows it's not good news. Her husband has been missing for two days. Rebus fears the worst – and knows from his lifetime in the police that his daughter will be the prime suspect. He wasn't the best father – the job always came first – but now his daughter needs him more than ever. But is he going as a father or a detective? As he leaves at dawn to drive to the windswept coast – and a small town with big secrets – he wonders whether this might be the first time in his life where the truth is the one thing he doesn't want to find... A thrilling new Rebus novel about crime, punishment, and redemption, from the Edgar Award-winning "genius" of the genre (Lee Child, bestselling author of the Jack Reacher series)
