A town of wonky magic. A fencer stabbed by her own blade. Can Twizzie untangle the twisted mystery? Twizzle Twist isn't your normal real estate pixie. Nor is St. Maurice your normal Southern California town. The magic in the valley belches at the worst time. The faerock vein in St. Mo marks the local fae in uncomfortable ways. Twizzie's mismatched wings and bum leg are the least of her worries when a showing becomes deadly. The house-hunting lunges off-target when the first showing comes with more than she bargained for. The owner is dead, stabbed in the back with her own sword. The seaside town of St. Maurice's has one of the few remaining amusement piers on the west coast. And someone is twisting the town council to tear it down. If that happens, it will be the end of Twizzle's home above the carousel. With a murderer on the loose, a cute vampire she needs to sell a home to, and the imminent demise of her home on the pier, Twizzie has too many strikes to dodge all at once. Will Twizzie and her friends pull the right cord to untangle the twisted knot of intrigue in their sleepy SoCal town? Can they do so before the killer lunges again? If you love mysteries with a dash of quirky characters, a dose of warped magic, and snarky humor, you'll love Alyn Troy's new Paranormal Cozy Mystery series.
