Bridgerton meets Werewolves Within in this sparkling shapeshifter Regency romance mixed with humor, steamy chemistry, and fantasy. A Duke in want of a wife... Alfred Blakesley, Duke of Lowell, has long been an enigma. No one dares to give a man of his status the cut direct, but there's simply something not quite right about him. What would the society ladies say if they learned the truth—that the Duke of Lowell is a wolf shifter and the leader of a pack facing extinction if he doesn't find his true love? So now he's on the hunt...for a wife. Felicity Templeton has a goal of her own: to remain unwed until her twenty-fifth birthday, when she will inherit a significant fortune. But that all changes when she meets Alfred, the dashing duke who's determined to have her for his very own... "Sparkling wit, scrumptious chemistry!"—Grace Burrowes, New York Times and USA Today bestselling author
