An amnesiac and a handsome doctor attempt to piece together her past in this romantic suspense novel by the #1 New York Times –bestselling author. When Dr. Blake Hunter discovers Casey Edwards wandering along the road in Sweetwater, Georgia, she’s a woman without a past, her memory stripped of the terrifying events that shattered her innocence a decade ago. The scrap of paper she clutches in her hand bears the address to Swan House, the magnificent mansion where Casey’s mother lives with her mysteriously ailing husband. Yet “home” turns out to be anything but a safe haven . . . Casey is determined to untangle the web of secrets that surround her. The answers lay somewhere within Swan House and its lavish gardens, but someone wants Casey out of the way before she remembers too much. It will take the strength she’s always had—and the love she’s just found—to uncover her past and claim her future . . . Praise for About Face “There’s enough melodrama in Michaels’s newest offering . . . to quench the thirst of soap opera devotees.” — Publishers Weekly
