Una serie original de Netflix ganadora de un Emmy como Serie Animada Preescolar. ¿Por qué las rosas tienen pinchitos? ¿Por qué en la nariz hay tantos pelitos? Ada Magnifica tiene la cabeza llena de preguntas. Como sus compañeros de clase Pedro y Rosa, Ada siempre ha sentido una curiosidad insaciable. Pero cuando lleva demasiado lejos sus exploraciones y sus complicados experimentos científicos, sus padres se cansan y la mandan al rincón de pensar. ¿Tanto pensar la hará cambiar de opinión? Un álbum muy divertido que celebra la creatividad y nos anima a perseverar en nuestras pasiones. ENGLISH DESCRIPTION The Ada Twist, Scientist Netflix series is the winner of an Emmy Award as Outstanding Preschool Animated Series! A #1 New York Times Bestseller A Wall Street Journal Bestseller A USA Today Bestseller The creators of The New York Times bestselling picture books Rosie Revere , Engineer and Iggy Peck , Architect are back with a story about the power of curiosity in the hands of a child who is on a mission to use science to understand her world. Ada Twist , Scientist, from powerhouse team Andrea Beaty and David Roberts, is a celebration of STEM, perseverance, and passion. Like her classmates, builder Iggy and inventor Rosie, scientist Ada, a character of color, has a boundless imagination and has always been hopelessly curious. Why are there pointy things stuck to a rose? Why are there hairs growing inside your nose? When her house fills with a horrific, toe-curling smell, Ada knows it's up to her to find the source. What would you do with a problem like this? Not afraid of failure, Ada embarks on a fact-finding mission and conducts scientific experiments, all in the name of discovery. But, this time, her experiments lead to even more stink and get her into trouble! Inspired by real-life makers such as Ada Lovelace and Marie Curie, Ada Twist, Scientist champions girl power and women scientists , and brings welcome diversity to picture books about girls in science. Touching on themes of never giving up and problem solving, Ada comes to learn that her questions might not always lead to answers, but rather to more questions. She may never find the source of the stink, but with a supportive family and the space to figure it out, she'll be able to feed her curiosity in the ways a young scientist should. Iggy Peck and Rosie Revere have earned their places among the most beloved children's characters, and they have inspired countless kids and adults to follow their dreams and passions. Now in her own charming and witty picture book, determined Ada Twist, with her boundless curiosity for science and love of the question "Why?," is destined to join these two favorites. The book is the perfect tool to remind both young girls and women that they have the intelligence and perseverance to achieve their dreams.
