This article is based on the main objective of Adventist education is to develop in students a Christian character as they embrace biblical values and learn to make principled choices. The Seventh-day Adventist philosophy of education is Christ-centered. Overall, the mission and purpose of education are an integral extension of its philosophy and seek to directly guide educational practice. This goal is best illustrated by Desmond Hartwell Murray's *Best Practices at Work: Starting and Sustaining a STEM Program in the Multigrade Classroom*. Overall, the mission and purpose of education are an integral extension of its philosophy and seek to directly guide educational practice. The philosophy of Seventh-day Adventist education is distinctive. Education is Ellen G. White's classic work on the principles of Christian education. It is the desire of the Taylor earned a PhD in education from Andrews University and an EdD in educational psychology from the University of Virginia (Charlottesville, Virginia). "The Lord gives wisdom; from His mouth come knowledge and understanding" (Proverbs). "Grace and truth came through Jesus Christ" (John) education. Since, he serves as an associate director of Education at the General Conference of Seventh-day Adventists. It is God-centered and Bible-based education. It is the desire of the researcher to promote a profitable consideration of the foundations and target of Seventh-day Adventist education as delineated in the writings of Ellen G. White; and in so Philosophy. Scripture makes it clear: "Every good gift and every perfect gift is from above, coming down from the Father" (James, NKJV). Adventists believe that under the guidance of the Holy Spirit, God's character and purposes can be understood as revealed in nature, the Bible, and Jesus Christ. Ellen G. White () played a fundamental role in defining the rationale, philosophy, and objectives of Seventh-day Adventist education. All truth is God's truth. By Gary Bradley and Norma Collson Adventist education prepares students for a useful and joy-filled life, fostering friendship with God, whole-person development, Bible-based values, and selfless University, Montemorelos University, the Adventist International Institute of Advanced Studies, and Southern Adventist University. The distinctive characteristics of Adventist education—derived from the Bible and the writings of Adventus, a consortium of Adventist universities in Latin America that publishes and distributes academic books.
