ISBN-13: 9780451490575

From New York Times bestselling author Clare Mackintosh comes a deeply moving and page-turning novel about an impossible choice—and the two paths fate could take. “A beautifully written novel, compelling and clever, tender and true. I can’t stop thinking about it.”—Liane Moriarty “Tailor-made for book clubs and for fans of Jodi Picoult.”— Publishers Weekly Max and Pip are the strongest couple you know. They're best friends, lovers—unshakable. But then their son gets sick and the doctors put the question of his survival into their hands. For the first time, Max and Pip can't agree. They each want a different future for their son. What if they could have both? A gripping and propulsive exploration of love, marriage, parenthood, and the road not taken, After the End brings one unforgettable family from unimaginable loss to a surprising, satisfying, and redemptive ending and the life they are fated to find. With the emotional power of Jodi Picoult's My Sister's Keeper , Mackintosh helps us to see that sometimes the end is just another beginning.
