For nearly years, After the Battle has been presenting the history of the world's conflicts through 'then and now' comparison photographs. From the Zulu wars, through the First and Second World Wars; to the Falklands, all are researched on the actual battlefield to show how they appear today. From the Missing: pdf The preparation for the magazine takes place on the battlefields and stories are presented with maps and comparison 'then and now' photographs which add a new dimension to Missing: pdf Magazine. After The Battle magazine has been providing readers an in-depth study on the Second World War. One of the unique features of this publication is the "Then and Now" comparison photographs which add a new dimension to the historical study.
