Never has Wonderland been more charming than in this little book—perfect for little hands! When young Alice’s curiosity gets the better of her, she must explore a land of talking playing cards, magical sweets, and circumspect caterpillars to find her way home. Follow Alice down the rabbit hole and into the enchanting world of Wonderland in this must-have board book edition of Lewis Carroll’s classic Alice’s Adventures in Wonderland . With foil on the cover and engaging illustrations throughout, Baby’s Classics: Alice in Wonderland is a delightful addition to baby’s first storytime collection! Can you keep up with the White Rabbit? Can you riddle your way through teatime with the Mad Hatter and make heads or tails of directions from the Cheshire Cat? Elude the clutches of the Queen of Hearts, too, and make it home in time for tea! From Starry Forest Books, Baby’s Classics will delight your little one with the world’s best stories. Collect them all!
