Sometimes life doesn't go according to plan. My summer was planned from packing lists to trip itineraries. Or so I'd thought. It's the night before my trip abroad, and my boyfriend Matt showed up to a party with another girl. The boyfriend I'm supposed to spend seven weeks with in Brazil. No way can I board that plane. With my trip tickets ripped up and the money down the drain, I owe my parents big-time. The only job hiring is Teed Off!, the driving range that just-so-happens to employ Matt's trio of best friends. Matt's friends don't like my presence on their artificial turf, so pranking me becomes their second part-time job. They definitely don't want me winning the bonus money our boss is offering for an idea to improve the business. By chance on a summer night, Matt's head crony best friend Aidan is there for me when no one else is around. Turns out, he and Matt haven't been close for a while. Aidan begins to see through to the real me-the me I'd kept from Matt to be the person I've always longed to be-popular with a boyfriend, all according to plan. Now I have a new problem. I'm falling for the enemy.
