As for those who talk of Nothomb as "over-rated", this concept implies a consensus about literature which thankfully doesn't exist, moribund academics notwithstanding. By bringing together real and imagined underwater spaces through the tools offered by cognitive psychology and philosophy, it is possible to glimpse into a yet unexplored area Fear and Trembling. Highly recommended Mr. Haneda was Mr. Omochi"s supervisor, who was Mr. Saito"s supervisor, who. Terror and self-abasement conveyed respect. And I was superior to nobody.
