• Easier to read! Now with larger print!\*\* Miss Georgianna Eleanor Heyford may be naught but a gentleman's daughter, but even she's heard the rumors about the Earl of Stannis's exceptional charm and good looks. Surely she can cater his luxurious yacht party without getting swept away. But a terrible misunderstanding leaves Georgianna fired, furious, and with little recompense. Which is precisely when her opportunity for vengeance washes ashore... Daniel Rutherford, the Earl of Stannis, has absolutely no memory of who he is. They tell him he must have fallen overboard, and the only person he seems to recognize is the lovely Georgianna—who strikes a chord of familiarity... and the faintest memory of heating his blood. Only now this inelegant, poorly dressed woman claims to be his wife! But the truth is, Georgianna is finally getting her revenge. The dashing earl will work off the money he owes her and no one will be the wiser. Except the longer he stays with her and her younger sisters, the more it feels like he belongs there. And that perhaps he'd find a forever place in Georgianna's heart...at least, until his memory returns...
