A second chance he didn't see co	omingWes was born with a	a competitive streak. Ever since he could walk, he's made it a
point to never lose. And he never did, until his girlfriend left him senior year of college and his professional sports career tanked. Four years later, the last thing Wes needs as he prepares for the game of his life is his ex-girlfriend sauntering into		
there's a chance Wes was wrong	g about Kaylee and she reall	y had loved him, maybe he can break his mental block and win
back his game-and the girl.
