## Introduction

To celebrate the coming Christmas and New Year, AudFree kicks off the big Xmas & New Year sales activity which gives discounts of up to 75% with free giveaways. This special offer launched by AudFree is dedicated to appreciating our loyal customers and welcoming new users to join us.

The AudFree Xmas & New Year Party is valid till January 10th, 2024, from which users can get multiple discounts on all AudFree products, including the hot-selling Spotify Music Converter, Tidal Music Converter, and Apple Music Converter. Surprisingly and unprecedentedly, this activity also gives users free giveaways at this party, aiming to get users immersed in their favorite music and happy vibe freely during the grand Christmas and New Year holidays.

"We hope to bring all of our customers more benefits in this AudFree Xmas & New Year Activity, expressing our genuine gratitude to them and their support. It's the first time we offer free giveaways in such activities. Sincerely hope our users can enjoy the best music experience and have fun at this party." From Charles Davis, the international marketing manager of AudFree.

### Étape 1 - Time-Limited Free Giveaways for Amable and Deezeable

For music lovers, especially those who prefer to stream their favorite songs from Amazon Music or Deezer, it will be a pity if they miss this opportunity to get the free Xmas gifts we offer. Only 100 free licenses are offered per day, never miss it. After heading to the AudFree Xmas promotion webpage, you will find the 'Time-Limited Free Giveaway for Amable and Deezeable' section immediately. On the box symbolized with the 'FREE' tab, enter your email address into the search box and tap on the right 'Submit' button to get the Amable/Deezeable Music Converter registration code.

The code empowers you to experience all features of those products for free for 1 month, such as downloading all Amazon Music or Deezer tracks to MP3, FLAC, AAC, M4A, or other unprotected files with original audio quality and ID3 tags.

## Étape 2 - AudFree Best Single Deals at Up to 40% Off

Apart from free Christmas gifts, AudFree also provides individual special offers for each audio converter as well as the Audio Capture. The hot-selling Spotify Music Converter and Tidal Music Converter are priced at \$9.99 per month and \$47.95 for a lifetime license now while they were sold at 14.95 and 79.95 bucks respectively for monthly and lifetime licenses before.

Other products require less than the two converters. With them, you can save money to download and listen to Christmas songs or audiobooks across various music streaming services offline. All products in the Single Deals are discounted at 33% off for the monthly plan and 40% off for the lifetime plan. Here are the detailed prices and purposes for those products:

## Étape 3 - Hot Bundles Available for Lifetime

On top of the above free giveaways and special single offers, hot bundles valid for a lifetime plan are also offered at a 60% discount. The popular Spotify Music Converter Single Bundle and the Spotify+Tidal Converter Bundle only need \$63.95 for lifetime licenses while they were \$159.9 before. The other two bundles are cheaper than the formers.

Besides the above-mentioned bundles, a 6-in-1 super offer, only requiring \$99.99 for a lifetime license, is rolled out with a discount of 75%, which saves you 304.71 bucks. This supper deal enables you to use all AudFree products on up to 6 devices.
