To save his wife, a Southern detective is drawn into a final showdown with his sadistic nemesis in this romantic suspense series finale. Malcolm York is a sadistic murderer. And with his endless wealth he's funded a series of depraved human hunts. The few who survived can never forget. They can only be thankful the terror is over. Until rumors start swirling... Griffin Powell knows the twisted depths of York's madness. He's also sure that York is dead. But then Griffin's wife, Nicole, disappears. And the phone calls begin with that familiar voice taunting him, promising to destroy everything Griffin loves. Using all the resources of the Powell Agency, Griffin searches for Nicole, aware that every step propels him further into a madman's web. Because the only way to keep Nicole safe is to join one last perverse game where the winner kills all, and the loser is dead by nightfall...
