On the run from her husband's killers, there is only one man who can help her now... her Rock. Maggie is on the run from those who killed her husband nine months ago. She knows the only one who can help her is Rocco, a grizzly shifter she knew in her youth. She arrives on his doorstep in labor with twins. Magical, shapeshifting, bear cub twins destined to lead the next generation of werereatures in North America. Rocky is devastated by the news of his Clan brother's death, but he cannot deny the attraction that has never waned for the small human woman who stole his heart a long time ago. Rocky absented himself from her life when she chose to marry his childhood friend, but the years haven't changed the way he feels for her. And now there are two young lives to protect. Rocky will do everything in his power to end the threat to the small family and claim them for himself. He knows he is the perfect Alpha to teach the cubs as they grow into their power... if their mother will let him love her as he has always longed to do.
