There's more to me than just being awkward. I own my own flower shop, have some great friends, and I have my eye on adopting the most adorable kitten. But sadly, hot guys don't tend to be blown away by my trivia-spouting, dorky self. So when a Thor-lookalike who happens to be a professional hockey player hits on me at my bestie's wedding rehearsal party... You better believe I climbed that tree like a cat. And the fact that it happened not once, not twice, but three times? Yeah, that's pretty much a once-in-a-lifetime experience for a woman like me. There's zero chance I'll end up ever seeing him again...right? Until the pregnancy test comes up positive. What happens next? Oh my God, I wish I knew...
