The author refers to two parables in the Quran to illustrate the concepts of unicity and justice Before presenting the specifics of Taha's Islamic response to the modern worldview, let us first contextualize his philosophy within contemporary Arab thought. What has been the history of attempts to modernize Arabic-Islamic philosophy? Basic Principles Of Islamic World View (PDF) · Basic Principles Of Islamic World View A Model Understanding the Principles of This introduction of Islamic worldview is not the first time when this term is introduced to the world, since Islam was revealed, during the time of the Prophets, worldview has The Worldview of Mainstream Islam: unity-in-diversity The fundamental philosophical nature that characterizes the Worldview of Main-stream Islam (in both its Traditional and Sayyid Qutb, executed in by the Egyptian government but still broadly influential today, was deeply convinced that Islam provides an ideal framework for all of human In this book, one of his most widely read works, Sayyid Qutb addresses himself to the task of retrieving what he regards as the authentic mode of thought that is distinctive of Islam It is based on three fundamental principles which are: tawhîd(theism), khilâfah(Vicegerency), and 'adâlah(Justice). These principles not only frame the Islamic worldview, but they also constitute the fountainhead of the maqasid (objectives) and the strategy of Man's life in this world research it can be said that if the worldview of Islam is applied consistently, the following implications will be realized; First, changing the world-centered view to God-centered. Second; changing the materialism system into an integral method of thinking Islamic political thought deals not only with matters of government, politics, and the state, but also addresses questions of acceptable behavior and ethics of both the ruler and the ruled before God. Islamic political thought cannot be measured by Western criteria and standards of political theory Together, these principles provide the basics of the Islamic worldview (91). Two basic questions arise: What is 'Islamic Philosophy'?
