Full of danger, intrigue and heart, Iris Johansen's New York Times bestseller, Night and Day, is a breathtaking, high-energy adventure that's sure to keep readers riveted from the first page to the last. Forensic sculptor Eve Duncan risked it all to protect Cara Delaney from the enemies who want her dead. The journey has led them from California to a remote mountain in the Scottish highlands--and earned Eve the distinction of becoming their next target. When, despite all precautions, Cara is taken, Eve must hunt down the very people who want to kill her in order to save the young girl. At a time in her life when she has more at stake than ever before, she unhesitatingly puts it all on the line in a pulse-pounding mission of rescue and survival.
