First comes love. Then comes marriage. Then comes baby in a baby carriage. Just not necessarily in that order. . . . Braxton: I should probably be dead or in jail right now. Instead, thanks to some tough love, I worked my ass off and now I own a string of tattoo parlors throughout the Pacific Northwest. And yet the one thing Ive always wanted a family still seems out of reach. When my best friend gets married, Im just hoping to blow off some steam with the super-hot maid of honor. But after Cara Thompson tracks me down to tell me shes pregnant, shes more surprised than I am when I tell her Im all in. Cara: For the first time in my life, Im living for myself not for my parents and their ridiculous expectations. I gave up on my MBA, dropped out of the Ivy League, and moved to Portland to pursue my dream of becoming an artist. And whats the first thing I do? Get knocked up. For a tatted-up sex god, Braxton Henley seems way too eager to be there for me. Is this guy serious? Maybe. He sure is patient. Because he wont back down until I admit what I know in my heart: that our one night stand mightve led me to the one.
