Ellie Lane is the proud owner of Juniper Hill Equine Therapy Ranch in Arizona, but it's been on the brink of bankruptcy for months. She's been paying the expenses out of her own pocket, including the salary of her best friend and fellow therapist, Killian Strand. But now she's out of money, and the ranch will have to close. Killian will be left without a job. And Ellie's not looking forward to admitting the secrets she's kept from her best friend. Killian Strand has secrets of his own. Wounded in Afghanistan, he does his best to hide the scars, both outside and in. He's been in love with Ellie forever, and she's the only one in the world he can trust. But when despised billionaire Reed Osborn comes to make a donation to the ranch, Killian can't miss the sparks between Reed and Ellie. If the greedy bastard thinks he's going to put the moves on Ellie, he's got another think coming. Reed Osborn needs to improve his image if he wants to be elected to the state senate. When his image consultant suggests he make a big fat donation to a local charity, Juniper Hill is the perfect option. He's especially eager to spend more time with the beautiful, curvy Ellie Lane and the brooding Killian Strand. Soon the three can't keep their hands off each other maybe true love can conquer all. But when Reed's image consultant takes things into her own hands, all hell breaks loose at the ranch. As the bad press hits the airwaves, no one's secrets are safe. And without trust, there can be no love... Reader note: this M/M/F Mnage romance contains a BBW heroine, a billionaire, a hero vet, a horse ranch, and male male love. Reader discretion is advised for hot romance elements
