Child protection is one of the key responsibilities of any government including that of Zimbabwe. To fully engage with what this provision entails, it is necessary to understand the responsibilities of the child protection committee on the rights and welfare of the child. The committee is composed of representatives from various sectors of society, including the government, civil society, and the private sector. The committee's mandate is to monitor and promote the rights and welfare of children in Zimbabwe. The Government of Zimbabwe (GoZ) is working on a number of legislative measures in order to enhance the protection and promotion of the rights and welfare of the child. The age of majority in Zimbabwe is 18 years; however, under the Children's Act, a child is any person under the age of 18 years and an infant is a person under the age of 5 years. Introduction.
