ISBN-13: 9780593354865

A hilarious, mostly-rhyming picture book about a banana and narrator who can't quite agree on what their book is about. Perfect for fans of Mo Willems' We Are in a Book and Adam Rex's Nothing Rhymes With Orange! "Mo Willems fans will give this book one, two, three, four, five stars!"Parents "Tillotson's rib-tickling debut is not to be missed!"KirkusWhen a narrator starts filling this story with fruit, Banana cant wait to step into the spotlight. The book is called Counting to Bananas, after all. But as more and more fruits (and non-fruits) are added to the story, Banana objects. When will it be time for bananas?!With laugh-out-loud text from debut author Carrie Tillotson and brought to life by illustrator Estrela Loureno this is the story of a banana and narrator who have very strong opinions about what should (and should not!) be in this book.The perfect next read for fans of Jory John and Pete Oswald's The Bad Seed series, as well at Ryan T. Higgins' Hey, Bruce!Praise for Counting to Bananas"In the tradition of Mac Barnett's Count the Monkeys, Tillotson's rib-tickling debut is not to be missed . . . Lourenos digitally created illustrations of cartoon fruit with faces and expressive animals are bright, dynamic, and foolish. Fruity fun for everyone."Kirkus
