She fell in love, got married...and it was all a lie.They expected a mafia princess, but when Rodrigo meets the woman his father is forcing him to marry, he realizes Giada is much more than she seems. Smart and dangerous, she's the kind of woman he could love...too bad everything he's about to tell her is a lie.Casson knows Rodrigo is in too deep. Rodrigo's undercover mission as the heir to a powerful Camorra don should have ended long ago, but now he's engaged to the daughter of another dangerous man, and it's Casson's job to pull him out.There's just one problem. Giada.She's nothing either man expected, and everything they want. The last thing they expect is for Giada to invite both of them to her bed.As the wedding day looms closer, and enemies close in, the line between what's real and what's a lie becomes blurred, and Rodrigo and Casson have to decide if love is enough. And if they should tell her the truth.Unfortunately, there's someone else waiting in the wings to make sure they never say "I do."
