Overview:

From USA Today and Wall Street Journal bestselling author Ashley Jade comes an edgy, enemies-to-lovers standalone romance about mistakes, forgiveness, and second chances. He was the talented bad boy everyone wanted. I was the irrelevant geek everyone hated. He was the sun...drawing all of us in. I was a black hole... taking up space. He was destined to be a star. I was destined to remain an insignificant no one. Until he made me believe I was special... And then he destroyed me. I never thought I'd see Phoenix Walker again after he broke my heart, but fate had other plans. One tour. Eight weeks. Forty shows. Countless opportunities to make him pay. The world thought he was a God... But I knew the truth.
