Overview :

What happens in Vegas doesn't always stay there. I would know. I'm coming home with a brand-new ring on my finger. My wife? Ryan Bell. We're polar opposites. She's sunshine and happiness. I'm grumpy and scarred?literally. We could get it annulled and no one would be the wiser. Only problem? We posted about it online, and it's already making headlines. I can't afford to get that kind of attention and tank my career, and Ryan needs my help too. We make a plan: stay married for one year, play our roles, and divorce amicably at the end. No harm, no foul. Besides, there's no way the beauty is going to fall for the beast?
