In this delightful debut by a talented husband-and-wife team, Mo Romero is a zombie with a deep, dark secret...Mo Romero is a zombie who loves nothing more than growing, cooking, and eating vegetables. Tomatoes? Tantalizing. Peppers? Pure perfection! The problem? Mo's parents insist that their nio eat only zombie cuisine, like arm-panadas and finger foods. They tell Mo over and over that zombies don't eat veggies. But Mo can't imagine a lifetime of just eating zombie food and giving up his veggies. As he questions his own zombie identity, Mo tries his best to convince his parents to give peas a chance. Super duo Megan and Jorge Lacera make their picture-book debut with this sweet story about family, self-discovery, and the power of acceptance. It's a delectable tale that zombie and nonzombie fans alike will devour.
