As everyone knows, nothing is sweeter than tiny baby fingers and chubby baby toes. . . . And here, from two of the most gifted picture-book creators of our time, is a celebration of baby fingers, baby toes, and the joy they and the babies they belong to bring to everyone, everywhere, all over the world! This is a gorgeously simple picture book for very young children, and once you finish the rhythmic, rhyming text, all you'll want to do is go back to the beginning . . . and read it again! The luminous watercolor illustrations of these roly-poly little ones from a variety of backgrounds are adorable, quirky, and true to life, right down to the wrinkles, dimples, and pudges in their completely squishable arms, legs, and tummies.
