A magical adventure by the light of the moon...? Girl by day. Cat by night. Ready for adventure. In the third book of this engaging chapter book series about a little girl with catlike superpowers, Kitty and her feline friends discover a secret roof garden and must save it from unwelcome visitors. With dramatic two-color art on every page and an emphasis on friendship, family, and building self-confidence, the Kitty books are the perfect choice for newly independent readers and fans of Rebecca Elliott's Owl Diaries. Kitty is special. Her mother is a superhero with catlike powers that Kitty and her little brother, Max, will someday inherit. But being a superhero involves going on daring adventures out in the dark, and Kitty doesn't know if she'll be brave enough! In *Kitty and the Sky Garden*, Kitty and her feline friends Pumpkin and Pixie discover a secret sky garden on a city rooftop. The garden is beautiful, and the flowers are delicate and colorful. But when Pixie tells other cats about the magical place, the secret is out, and the garden is in danger of being destroyed! Will Kitty save the day and rescue the garden before it's too late?
