One of the New York Times 100 Best Books of the 21st Century Winner of the 2006 Orange Prize for Fiction, another bestselling masterwork from the celebrated author of *Swing Time* and *White Teeth* "In this sharp, engaging satire, beauty's only skin-deep, but funny cuts to the bone." Kirkus Reviews Having hit bestseller lists from the New York Times to the San Francisco Chronicle, this wise, hilarious novel reminds us why Zadie Smith has rocketed to literary stardom. *On Beauty* is the story of an interracial family living in the university town of Wellington, Massachusetts, whose misadventures in the culture war on both sides of the Atlantic serve to skewer everything from family life to political correctness to the combustive collision between the personal and the political. Full of dead-on wit and relentlessly funny, this tour de force confirms Zadie Smith's reputation as a major literary talent.
