A hostage crisis in Mexico turns into a deadly game of cat and mouse in this international thriller by the New York Times bestselling author. They were on a mission trip to Mexico to help with earthquake recovery. But in Ciudad Juarez, the busload of well-meaning adults and teenagers became hostages. The ransom demands of their captors are explicit: deliver three million dollars--with zero involvement from law enforcement--or all captives will be executed. But rescue specialist Jonathan Grave doesn't believe in ultimatums. For Grave and his elite team at Security Solutions, it's all about protecting the innocent. When the delicate situation explodes in violence, he must flee with the survivors. Now Grave must face the chilling possibility that someone within the U.S. government has a deadly secret to protect--one that could jeopardize national security like never before. . .The action is nonstop. Gilstrap knows his technology and weaponry. Damage Control will blow you away. Suspense Magazine
