Keep your passwords in one convenient place with this Harry Potterinspired password book with a cover design featuring the Unlocking Charm, Alohomora!**NEVER FORGET A PASSWORD AGAIN** Use this time and headache-saving organizer to gain access to your most important websites and passwords. Featuring **ALOHOMORA**, the Unlocking Charm, in beautiful gold foil, this password book includes ample space to list websites, usernames, multiple passwords, and login hints. **AZ TABS** Organized with tabbed pages from A to Z, this password book makes it easy to access all of your website login information. **468 WEBSITE ENTRIES** For each website entry, there is also space for up to three different password changes, and a section for notes and hints. **DISCREET DESIGN** This password book is designed to look like a regular journal without any obvious hint at whats inside, so you can safely store it on your desk or bookshelf with confidence. An elastic band also helps keep your book securely closed. **PERFECT HOME ACCESSORY** This practical password book is the perfect accessory for any student or Wizarding World fan who needs a little help organizing and remembering all of their important websites and logins
