A warrior, a maiden...and a passion that could set the whole world aflame. Despite the fact he is the largest of his half-dragon brothers and better suited to fighting, Hugh has been sent on an undercover mission. Forced to stay in human form, he must discover if the land of Helios is truly the Draconian ally it pretends, or something more sinister. When he witnesses injustice in the form of a misshapen baby gryphon kicked out into the cold, he cannot remain in the shadows and watch the child suffer. All he can hope for is that his act of kindness will go unnoticed so his mission can continue. But someone does notice. When Lera cautiously approaches Hugh, she is drawn to his strange, foreign magic. She is entranced by its irresistible allure-until assassins come calling and reveal her true identity. She is Valeria, queen of Helios, Keeper of the Flame. And she has been betrayed. Together they must risk everything to uncover the traitors and re-forged the alliance between their lands. Yet beneath their blazing passion, both are still keeping secrets. Secrets that the Sacred Flame will reveal-if their love survives its cleansing fire. Please Note: When a dragon prince and a Flame Keeper come together, the conflagration is definitely too hot to handle! The Dragon Knights series consists of: Daughters of the Dragon 1. Maiden Flight 2. Border Lair 3. The Ice Dragon 4. Prince of Spies The Novellas 5. The Dragon Healer (novella) 6. Master at Arms (novella) 7 Wings of Change (novella) Sons of Draconia 8. FireDrake 9. Dragon Storm 10. Keeper of the Flame 11. Hidden Dragons The Sea Captain's Daughter Trilogy 12. Sea Dragon 13. Dragon Fire 14. Dragon Mates
