He showed me a side of myself I never dreamed existed. Olivia's professor promised her lessons she couldn't learn in class. What he didn't expect was to find peace from his tormented past in her arms. Now, that past has caught up to both of them, ripping them apart even when he vowed she was the person who mattered most. He has one chance to fight for what's right, even if it costs him his career, his reputation, his happiness. She has one chance to claim the future she's worked for and grasp her dreams. But in a world hellbent on judgment, freedom has a price. What if the price is love? CLAIM is an illicit, forbidden full-length novel and the explosive book 3 in the OFF-LIMITS trilogy. Sawyer and Olivia's story begins in CRAVE and continues in COLLIDE.
