Keeping chickens is much easier then you may think, and much easier then regular household pets. By just checking on them a few minutes a day, you should be collecting daily eggs in no time. In this book we will review the steps needed, from getting and taking care of small chicks, to transitioning them to an outside coup, and what to expect in between. Grab a drink and a small bite to eat, find a comfy place to sit and together we will discover what joys backyard chickens can be. In this book we will walk you through: Space Required and Coop Size Choosing a Chicken Breed How to Care for Chicks When to take them to the Coop Keeping the Chicken Coop and Run Clean How to Feed Chickens Have a joyful life with this book and your new little friends.
