Swordplay, magic, intrigue and friendships stronger than iron the first book in a new swashbuckling fantasy series by the bestselling author of The Greatcoats. Damelas Shademantaigne picked a poor night to flee a judicial duel. He has precious little hope of escaping the wrath of Vixen, the most feared duelist in the entire city, until he stumbles through the stage doors of the magnificent Operato Belleza and tricks his way into the company of actors. An archaic law provides temporary respite from his troubles--until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurting out the dreadful truth the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas himself, and a company of misfit actor who'd just as soon see him dead, this failed son of two Greatcoats must somehow find the courage within himself to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids comes for his head. Oh, and there's the that matter of the Vixen waiting to duel him...
