A delightful new cozy mystery from USA Today bestselling author Amanda Flower! There's fowl play afoot on the farmShiloh Bellamy has saved her family's farm from financial ruinbut now what? She's barely scraping by on the farm's new organic business model and the fall festival she organized to drum up business comes to a screeching halt when the body of a prominent townswoman is discovered underneath a scarecrow in a nearby field. Worst of all, the evidence points to

Shiloh's childhood best friend, Kristy, as the prime suspect. Between cooking up delicious treats made with her farm's produce, convincing her cantankerous father to let her do things her own way, and dealing with a newcomer in town who
could be serious competition for her customers, Shiloh doesn't have time to wade into a murder investigation. But with a
killer on the loose and suspicious activity circling closer and closer to Shiloh and the people she loves, she realizes there's
nothing to do but roll up her sleeves and get down to the dirty work of finding the killer and clearing Kristy's name once and
for all.This book is perfect for cozy mystery readers and fans of Kate Carlisle, Denise Swanson, and Bree Baker!
