NEW YORK TIMES BESTSELLER BOOKER PRIZE FINALIST The Pulitzer Prizewinning author of Olive Kitteridge and My Name is Lucy Barton explores the mysteries of marriage and the secrets we keep, as a former couple reckons with where theyve come fromand what theyve left behind. ONE OF THE TEN BEST BOOKS OF THE YEAR Maureen Corrigan, NPRs Fresh AirElizabeth Strout is one of my very favorite writers, so the fact that Oh William! may well be my favorite of her books is a mathematical equation for joy. The depth, complexity, and love contained in these pages is a miraculous achievement. Ann Patchett, author of The Dutch Housel would like to say a few things about my first husband, William. Lucy Barton is a writer, but her ex-husband, William, remains a hard man to read. William, she confesses, has always been a mystery to me. Another mystery is why the two have remained connected after all these years. They just are. So Lucy is both surprised and not surprised when William asks her to join him on a trip to investigate a recently uncovered family secretone of those secrets that rearrange everything we think we know about the people closest to us. There are fears and insecurities, simple joys and acts of tenderness, and revelations about affairs and other spouses, parents and their children. On every page of this exquisite novel we learn more about the quiet forces that hold us togethereven after weve grown apart. A BEST BOOK OF THE YEAR The New York Times Book Review, The Washington Post, Time, Vulture, She Reads tags:
