Join big city lawyer turned reluctant rancher Steven Creed as he puts down roots and finds love in the process in this classic Montana Creeds novel from New York Times bestselling author Linda Lael Miller! When attorney Steven Creed becomes guardian of an orphaned five-year-old boy, this bachelor trades his big-city law firm for a ranch near his McKettrick kin in the close-knit community of Stone Creek, Arizona. Taking care of little Matt and fixing up his run-down ranch house with its old barn loosens something tightly wound inside him. But when Steven takes on the pro bono defense of a local teen, he meets his match in the opposing counsel beautiful, by-the-book county prosecutor Melissa OBallivan. Itll take one grieving little boy, a sweet, adopted dog and a woman who never expected to win any mans heart to make this Creed in Stone Creek know hes truly found home. Previously published.
